

Privacy Policy

We do not collect personal information for any purpose other than to respond to you (for example, to respond to your queries). If you choose to provide us with personal information like filling out a Contact us form, with an e-mail address or postal address, and submitting it to us through the website, we use that information to respond to your message, and to help you get the information you have requested. Our website never collects information or creates individual profiles for commercial marketing. While you must provide an e-mail address for a localised response to any incoming questions or comments to us, we recommend that you do NOT include any other personal information.
